

LOW - VOLTAGE PENDANTS

Zenith Large Pendant LED SORAA T20

DESCRIPTION

The Zenith pendant light by Tech Lighting features a slender, organic-shaped glass shade that exudes drama and sophistication. Vertical stringers add depth and dimension to the elongated shape while three fresh colors further enhance the contemporary design of the Zenith pendant. The concealed laming provides a punch of task lighting to surfaces below making this pendant ideal for kitchen island task lighting, hallway lighting and bedroom lighting flanking an end table. The Zenith is available in two distinct sizes to accommodate your unique design applications. Your choice of halogen or LED lamping ships with the Zenith saving you time and money, either lamping option is fully dimmable to create the desired ambiance in your special space. Includes low-voltage, 50 watt halogen bi-pin lamp or 8 watt, 300 delivered lumen, 3000K, replaceable SORAA® LED module and six feet of field-cuttable cable. Dimmable with low-voltage electronic or magnetic dimmer (based on the transformer). Works with SORAA.

INSTALLATION

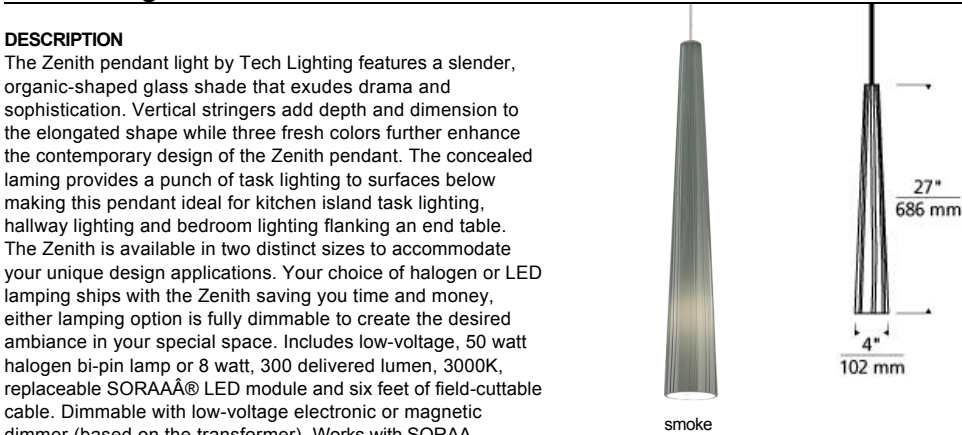

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system.
