

LOW - VOLTAGE HEADS

Spot Head

DESCRIPTION

The Spot display head by Tech Lighting is simple in design but extremely functional. The Spot provides light where you need it the most with its 360° rotating head and 290° pivot. Enhance your space all the more by combining the Spot display head with a Tech Lighting free-jack or rail system. This low-voltage display head is ideal for commercial lighting applications such as retail stores, libraries and galleries. Rated for (1) 50 watt max halogen MR16 lamp (not included). Dimmable with low-voltage electronic or magnetic dimmer. Can hold one glass lens or Eggcrate louver (sold separately). Works with SORAA.

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system.

ACCESSORIES & OPTICAL CONTROLS

Eggcrate Louver

WEIGHT

0.84lb / 0.38kg ±

straight

with eggcrate louver
