

90 Small Flush Mount

FL ADA T20

DESCRIPTION

Modern meets practical in the 90 flush mount ceiling fixture by Tech Lighting. What makes the 90 unique is its plated base and the perfectly 90-degree crisp angle edges along with its clean White glass diffuser. Light is pleasantly dispersed making this flush mount ideal for general illumination in places such as family rooms, basements and hallways. The 90 ceiling fixture is available in Antique Bronze and Satin Nickel and comes in two distinct sizes, small and large. Available lamping options include incandescent or fluorescent lamping, both options are fully dimmable to create the desired ambiance in your unique space. For a list of compatible dimmers please refer to dimming chart for more information. May be mounted on the ceiling or wall. Small incandescent includes one 120 volt, 40 watt G9 base halogen lamp. Incandescent version dimmable with a standard incandescent dimmer. Suitable for wet locations. ADA compliant
