Caution

Before assembling and installing this product, carefully read the following:

- Always use the recommended bulb
- If the steel cable or the power cord of this lamp is damaged, it must be replaced only by the manufacturer or their technical service or by a person capacitated to this effect to avoid any risk.
- This lamp is for indoor use only, excluding bathrooms or any type of humid surface.
- We recommend reading the manual before installing the lamp. Keep these instructions for future reference.
- Use these gloves to touch the lamp during the installation to avoid smudges and dirt on its surface.

ASSEMBLY INSTRUCTIONS

1

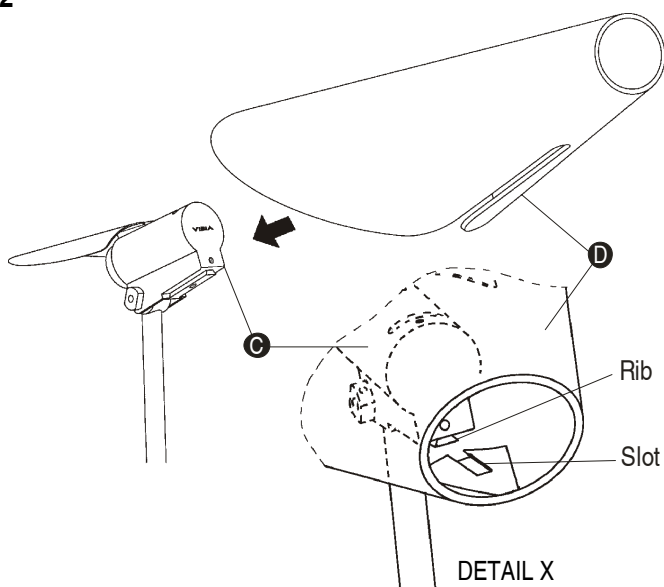

1. Install the reflector (A) using the two screws (B) that were removed from the body (C).

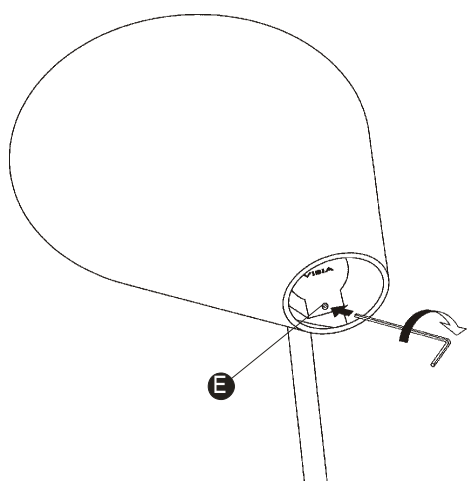

2. Install the shade (D) on the body (C) as shown by the arrow, so that the rib on the body slides completely into the slot on the shade (see X detail).

3. Tighten the inner peg (E) using the supplied Allen key. In this way the shade will be fixed in place.
