

FLUX MP46608

PENDANTS

PROJECT

DESCRIPTION

Combining a truncated spherical aesthetic with modern adjustability features the Flux collection is ideal for the sophisticated interior setting. A flat recessed glass diffuser, partially frosted in its center, is showcased within the precise cast aluminum drum, providing an ambient wash where directed. The illuminated ring serves dual functions as a finder light and indicative perimeter for the touch actuated dimmer. Magnetic connectors allow for an unrestricted range of rotation and ease of assembly. Available in a range of configurations.
